Precis of Vernacular Correspondence connected with the land belonging to Shajadi Bee widow of Hosmalli Inabab Hussain Khan, taken up for roads &c. in the town of Honnali.

Shajadi Bee petitioned to the Deputy Commr. in October 1886 complaining against the intended resumption of the land in front of the Honnali Fort, measuring 20,230 Square yards, granted to her late husband by Major Onslow the late Superintendent of the Nagar Division (Vide Circular No. 394 dated 4th November 1852)

2. The Amildar of the Taluk reported (No 451 of 29th October 1886) that the said land formed part of Survey No. 59 left for free grazing of the village and that the boundaries of the land were not given in the Superintendent's order. As applied for by the local Municipal Board, the Government in the Revenue

and No. 5 was the plot upon which the weekly Market was held. Further that No. 6 which appeared to belong to Nabab Abdul Nabi Khan might be given to the Petitioner if he should fail to prove his claim thereto.

7. The plan of the Sites in question is filed with the records.

8. Swami-Raya Chari, Agent for the Petitioner Khajadi Bee Consented to the above arrangements.

9. With this information Mr. Outtamachetty, Assistant-Commr. Submitted the papers with his Memo dated 19th October 1889 for the orders of the Deputy Commr.

10. In reply the Assistant Commr. was requested on 30th October to State clearly whether the Petitioner wanted all the 6 plots above referred to or would be content with the 3 plots.

11. With reference to the above, the Assistant Commr. Stated in his Memo dated 2nd November 1889

2

1889 that the Petitioner's Agent Swami-Raya Chari consented to take up plots Nos. 1. 2. & 3 and No. 6 if there was no other claimant to it. As regards Nos. 4 and 5, he was informed that those plots could be given to the Petitioner and he consented to the arrangement.

12. The entire records were forwarded to the Municipal Vice President Mr. Nagesha Rao with Yadi No. 992 dated 15th March 1890 for his opinion, and he, in his Yadi No. 124 dated 23rd March 1890 stated that he agreed with the opinion expressed by Mr. Pattamachetty.

Remarks

The first question to be decided is whether or not the Petitioner has any right to the land granted to her late husband in 1852 and declared as the Village free grazing land at the Survey Settlement in 1874-75.

The late Superintendent's grant was in no way absolute. The land

in no

was given to the Petitioner's late husband to build a house on, which was never built either by himself or by his heirs after his demise.

No claim appears to have been put forward by the Petitioner or any one interested in the case at the time of the Survey Settlement.

In my humble opinion, the can have no right to a conditional grant which was not availed of for 40 years, and I cannot see how she is entitled to any compensation at all.

A greater portion of the land whose alienation was sanctioned by Government in 1884 has already used for public buildings, while the rest is required for future buildings. Dated Kachcheri, Jaffna Court this

For several years there has been a great demand for building sites in the Nannali Town and the

applications

applications received have not been disposed of Chiefly on account of the Petitioner's contentions real or imaginary.

If Government should be pleased to decide that Some Compensation might be given to the Petitioner, I would propose to pay her a money Compensation and not in land under the circumstances of the case. Petitioner is in no need of building a new house nor in a position to build on Such extensive Sites. The lands proposed to be given to her by the Municipality are badly required not only for future public purposes but also by private individuals who Suffer for want of building Sites in the Town.

traces of the Wall and

the land has been

in the Pahani accounts
during successive years
so far back as even 1862
it has been entered as

Nevertheless if Petitioner is desirous of building a house, some other land may be granted to her free of charge, provided she consents to build a house within a reasonable time, say one year.

This is an application for a review of an order, dated 20 December 1892. It was decided that the land given to petitioner's husband (Mahomed Hussain Ali Khan) had been rightly resumed and that another like would be granted to him if he was desirous of building a house. This order is sought to be reviewed and the application is based mainly on the ground that the order is illegal. Petr further alleges that the order was passed before the Petr was heard when the order was passed. The Petr prays that the Board's Rules may be given effect to.

Petr was not heard when the order dated 20 Dec 92 was passed

Now the petitioner says that the above order is unjust and prays that through justice inquiry the land given over to him by the Govt. Commr may be restored to him.

The order of the 20 Dec. 92 are final and no ~~further~~ grounds whatever exist for reversing them -

The D.C. will treat Peter with every consideration as regards any appn for building site the may make for bona fide building purposes -
